Hi PADs,

The below referenced talking points went to your PFAS leads. I wanted to make sure you had them too. Press will continue to come to Nancy and me, but we wanted to make sure folks had some talking points as they are talking to states and stakeholders.

Happy Friday and please let me know if you have any questions.

Afternoon,

Please find updated talking points below (note the new text in red):

Response To Summit Invitations

NOTE: If desired, EPA personnel can also forward any inquiries to safewater@epa.gov. OGWDW will review all emails and respond accordingly.

PARTNER INFORMATION

- <!--[if !supportLists]--><!--[endif]-->EPA invited each territory/tribe/state governor to send 1-2 representatives to attend. EPA requests that each territory/tribe/state coordinate internally to identify their attendees and send their names to: safewater@epa.gov
- <!--[if !supportLists]--><!--[endif]-->EPA also invited federal partners to send 1-2 representative from their organizations. EPA requests that each organization coordinate internally to identify their attendees and send their names to: safewater@epa.gov *the list of invited federal partners is provided below.
- <!--[if !supportLists]--><!--[endif]-->At this time, EPA does not intend to fund travel.

GENERAL PUBLIC/STAKEHOLDERS WITHOUT INVITATION

- <!--[if !supportLists]--><!--[endif]-->EPA appreciates your interest in this important issue and values your input.
- <!--[if !supportLists]--><!--[endif]-->EPA is convening this leadership summit to coordinate with our state and federal partners and national organizations to identify the most critical needs they have in addressing PFAS contamination and to identify the tools we can provide them to better protect public health.
- <!--[if !supportLists]--><!--[endif]-->Because space will be limited at the summit, EPA has limited the invitation to federal partners, states, territories, tribes and representatives from national organizations.
- <!--[if !supportLists]--><!--[endif]-->EPA, however, will provide the opportunity for the public to join in a portion of the meeting via streaming online. Details on how to access the event will be posted on www.epa.gov/pfas.
- <!--[if !supportLists]--><!--[endif]-->We will also be providing the public with the opportunity to send written input to EPA. Details on how to submit your input will be posted on www.epa.gov/pfas.
- <!--[if !supportLists]--><!--[endif]-->EPA will be posting relevant meeting materials online as they become available.

- <!--[if !supportLists]--><!--[endif]-->We appreciate your thoughts and suggestions on how EPA can best help states and communities facing this issue.
- <!--[if !supportLists]--><!--[endif]-->We will consider your organization's interest as we plan our next steps.
